	S/No (as in attendance)	Matric No	Name (as in the Matriculation Card)	Signature	(Official Use)
1.		U2421365A	Tan Sing Yee		
2.		U2422268B	Nur Afiqah Binte Ahmad Zairal		

1. I/We complete the basic requirements: Yes / No

Remarks on Basic Requirements done (ONLY for LECTURER to input):

Basic Requirements until *Step 7:*	
Bonus indicated in Step 6 (on top of Basic Requirements)	

2. Details of Clicker system to be submitted:

Number of Activities (Screens)	3
Number of Database Tables	3
Number of Servlets	4
Number of HTML/CSS Pages. Specify **which HTML pages** styling are done	3

3. Details of **ADDITIONAL** features/functions (if applicable). Add in more tables yourself if you have developed more features/functions:

Additional Feature/Function 1: Bar Graph

Description	Puts the responses into a Bar Graph
Name of file that the feature/function is written in	DisplayServlet
Line numbers of the feature/function code	31 - 82
Link/Resource that was referred to	https://www.youtube.com/watch?v=lATQXH2ArQw
Remarks by LECTURER	

Additional Feature/Function 2: Dashboard

Description	Dashboard that visualizes the results using real-time bar graphs and data tables.
Name of file that the feature/function is written in	MainActivity, DisplayServlet.java
Line numbers of the feature/function code	51 – 88 (MainActivity) 21– 64 (DisplayServlet)
Link/Resource that was referred to	https://youtu.be/379qkZTibZA?si=TXtGAhzFa3OsSj2a
Remarks by LECTURER	

Additional Feature/Function 3: Login

Description	Users logging in (if they already have an account created before)
Name of file that the feature/function is written in	LoginActivity.java, LoginServlet.java, activity_login.xml
Line numbers of the feature/function code	13-47(LoginServlet) 12-45(LoginActivity)
Link/Resource that was referred to	https://google.github.io/volley/ https://youtu.be/GKyEJmCoK5s?si=Xuc_sDdDqLemO-o7
Remarks by LECTURER	

Additional Feature/Function 4: Register

Description	Users creating a new account (if they do not have an account)
Name of file that the feature/function is written in	RegisterActivity, RegisterServlet, activity_register.xml

Line numbers of the feature/function code	31-86(RegisterActivity) 18-57(RegisterServlet)
Link/Resource that was referred to	https://youtu.be/DzYyzmP4m5c?si=G4DHmrDeiaRpVwod
Remarks by LECTURER	

Additional Feature/Function 5: Scroll Wheel

Description	Scroll wheel for the students to scroll to submit their choice and additional comments.
Name of file that the feature/function is written in	Activity_main.xml
Line numbers of the feature/function code	87-98 (activity_main.xml)
Link/Resource that was referred to	https://www.youtube.com/watch?v=K4CGYiQu52s
Remarks by LECTURER	

Additional Feature/Function 6: Additional Comments

Description	After the students have choose their option (noodles in our case), they can put in additional comment. After they are done with the comment, they can submit it. However, if they do not wish to add any comment, it is also fine, the display page will still work well and show no comment.
Name of file that the feature/function is written in	MainActivity.java
Line numbers of the feature/function code	63-100
Link/Resource that was referred to	https://www.youtube.com/watch?v=00j4dSETkwU https://www.youtube.com/watch?v=_CD84vsI4x8
Remarks by LECTURER	

4. Contributions - mention functions/features, codes (filenames and line numbers), tables written by you:

Student 1 Name: Tan Sing Yee	**Student 2 Name: Nur Afiqah**
Functions / Features • Aesthetics of FrontEnd Buttons • Aesthetics of Display Servlet • Login Page • Register Page • Scroll wheel • Dashboard Codes (filenames and line numbers) 1. MainActivity.java (51-62,93-98) 2. DisplayServlet.java (21-45 and 101-108) 3. LoginServlet. Java (13-35) 4. RegisterActivity.java (31-75) 5. activity_main.xml (87-98) 6. Dashboard (47-106) Tables • noodles • users • responses	Functions / Features 1. Bar Graph in DisplayServlet 2. FrontEnd Functions 3. Returning to Login Page after submitting Vote 4. Logo Codes (filenames and line numbers) 1. DisplayServlet 31 – 82, 115-123 2. MainActivity.java & activity_main.xml 1-49, 51-61, 93-100 & 7-14, 33-97 3. MainActivity.java 62-88 4. udonknowmeelogo.png Tables • noodles • users • responses
